We bear tes - ti-mon-y, as His du - ly or-dained A-post - les — that Je - sus is the Liv - ing

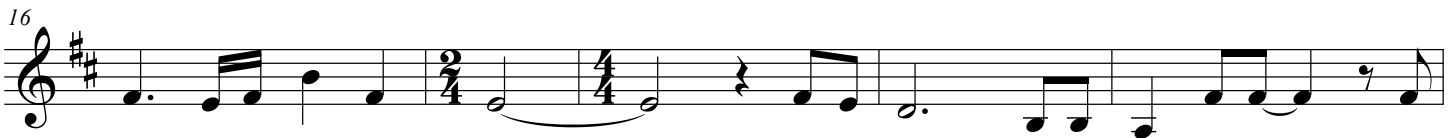

Christ, the im - mor-tal Son of God. He is the great King Im-man - u-el, who stands to-day — on the

right hand of His Fa - ther. He is the light, the life, and the hope of the world. His

way is the path that leads to hap - pi-ness in this life and e - ter - nal life in the world to

come, in the world to come. \_\_\_\_\_ God be thanked for the match - less gift — of

His di - vine \_\_\_\_\_ Son. His di - vine \_\_\_\_\_ Son.
